

GRIZZLY BEARS OF TOBA INLET PACKAGE

Our Grizzly Bear Viewing packages are available as an extra inclusion with your stay at Homfray Lodge. **The package includes daily bear viewing tours, all meals and transportation from Lund or Powell River Airport.** The grizzly bear viewing tours begin with a one-hour cruise to Toba Inlet. Upon arrival you will receive a warm welcome from Klahoose First Nation guides. You will then

drive to the viewing areas with 4 specifically designed covered viewing platforms along the river. The highlight of the tour will be the chance to view the grizzly bears in their natural habitat and feeding on salmon in Canada's wilderness. Our grizzly bear tours are limited to 12 guests for an intimate experience and reducing impact on the bears. We are members of the Commercial Bear Viewing Association.

DATES: August 23 to October 13, 2019
